## **Federated Church is an Open & Affirming Community**

In a time of deep division and vitriolic rhetoric around issues of race, ethnicity, gender, and sexuality, and where the dignity of people living with disabilities or mental health issues are often ignored, demonized, or turned into a joke, we promise to:

*Welcome all people of every age, gender, race, national origin, faith expression, marital status & family structure, sexual orientation, gender identity or gender expression, physical ability, mental or emotional condition, economic and social status, and educational background to share in the life, leadership, ministry, fellowship, worship, sacraments, responsibilities, blessings, and joys of our church family.*

**The Rainbow Flag:** We proudly display a rainbow flag at the front of our sanctuary as a visual declaration of God's extravagant and inclusive love, as well as of our own "promise of welcome" to all people. Our prayer is that all can be their truest selves here. This flag serves as a particular signal that our church is a safe and affirming space for LGBTQ persons to be, to belong, to lead, to question, and to grow in faith.

## **Order of Worship | February 01, 2026, 10:00 am**

Today we will be taking communion. We invite you to participate how ever you're best able. Feel free to use whatever you have for the "bread and cup"—whether it's bread & grape juice or a cookie & coffee. God takes our ordinary offerings, whatever they are, and blesses them as we share them together!

All music can be found at the back of the bulletin. Please join in reading those parts printed in **bold**.

# OUR FEDERATED VALUES

## We believe in God

At the center of our faith is the surprising, unsettling, and deeply personal God found in the Bible, most profoundly revealed in the life, teachings, death, and resurrection of Jesus. At Federated, our primary interest is not merely talking about God but encountering the Mysterious Force at the heart of the universe. This is a God who who comforts us where we need to be comforted and challenges us where we've become complacent. This is a God who will not be confined to dogmatic teachings, nor even to the Bible. We believe that we are invited to encounter this God everywhere: in nature, science, one another, and in other religious traditions as well.

## We believe each person is on a unique spiritual journey

We value faith as a journey rather than a destination. We recognize that each person is at a different place on their journey, so we focus on “testimonies” of faith rather than “tests” of faith; stories of how we are being transformed, rather than dogmas we must affirm. Here, you are welcome to belong, question, explore, and lead whether you grew up in church and loved it, or you've had a painful relationship with Christianity; you are welcome whether you feel your faith is unshakeable or you're not sure if you believe in God at all. You are welcome to join a community of people “on the way”: encouraging and caring for one another, learning and growing together, and serving alongside each other as we build, in some small way, the world we believe God dreams of.

## We believe in building authentic community across our differences

We are an “Open and Affirming” congregation, which is our way of saying that we value diversity. In a time of deep division, we believe it is paramount to gather people across lines of difference—race, class, culture, citizenship status, gender, sexuality, age, and ability—not merely to tolerate each other, but to build authentic relationships and true belonging. We believe the simple but courageous work of showing up in this way is one necessary element in healing our nation and world's deep divisions.

## We believe in working for peace through solidarity & justice

At Federated, conversations about racism, sexism, transphobia, poverty, immigration, hunger, and a host of other issues are commonplace—from the pulpit and around the table. With Dr. King, we believe we are all “caught in an inescapable network of mutuality, tied in a single garment of destiny,” and that “none of us can be free until all are free.” In this spirit, *in 2025 our Leadership Board initiated a series of conversations with the congregation, and together we discerned a mission priority for the church to act for “immigrant justice,” adopting this covenant to guide us: “As a community of faith, we commit to protecting our migrant neighbors through acts of sanctuary, solidarity, and justice. We will not stand by in the face of unjust enforcement. We will act, love, and speak as our faith commands—with courage and compassion.”*
